Elena and Krystal

Elena says she's not usually attracted to girls, but this chick was not only beautiful on the outside but the inside, too. Anytime she'd see her at the gym, she'd watch her ass as she used the elliptical machine. Elena says she would wear sunglasses when using the treadmill so she could check her out without moving her head. After weeks of innocent flirtation, she still wasn't sure if she was into girls, but one Saturday afternoon Krystal answered that.

THE MAN CAVE

SHERRY'S CHERRY

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

Tonight, my friend Paul, he's a cop, is coming over to tell me, and you, about this little escapade he had last week. There's a knock on the garage door and I open it and Paul is standing there, all square shouldered and imposing, as most cops are. But He's got a great sense of humor, a great memory, and tells a good story.

"Hey Paul, cm'on in and grab a brewski." I say.

"Hey dude, thanks for having me. Great man cave you got."

"You got a few minutes to tell me about what happened with Sherry? (Not her real name, by the way)... Go for it...

Paul starts... It was a fairly routine patrol day for me until I saw the pretty blonde girl standing by the car with the flat tire. She wore high heels and hose and this impossibly short dress—not the best attire for changing a tire. And she knew that. She waved her arms, flagging me down. I watched how her dress rode up when she raised her arms. I could almost see her pussy. My cock stirred. Whoa, partner, I muttered.

She was blonde and had little tits; she looked maybe 18. But her ass—now that was curvy and gorgeous, all woman. I pulled the car just a bit beyond her vintage Mustang. She was lucky I'd come along; this stretch of the county can be pretty desolate, and it was nearly sunset. And it was a good

10 or 12 mile walk to the next gas station through some dense woods.

"Yes, miss, how can I help?" I said, unfolding myself from the car. I'm 30 years old, six foot five, and lean. I work out a lot, and I take pride in my body. This little miss must have liked what she saw, because her brown eyes widened and her mouth made an "O".

"I just came back from this job interview, you see, and I took the wrong turn, and then I heard this sound like a snake hissing, and my car started acting weird, and I got out…and anyway, I have a flat. I was just about to change the tire when you came along, Officer."

"Call me Paul," I said. "I can fix it for you, miss."

"Thank you, Officer Paul." She smiled, showing a dimple. "I really appreciate it. My name is Sherry."

"That's a pretty name…for a pretty girl," I said.

She blushed and half-turned away, which was fine because it gave me a great view of her ass. God, her tight dress fit her butt like a glove. Was she a virgin there?

First things first! I positioned the jack, and inside of five minutes I'd removed the flat and put the spare on. I could see that this would have been beyond Sherry's capabilities. She was a little thing and wouldn't have been able to lift the tire. I wiped my hands on a cloth from my patrol car.

"Oh, that's terrific, Officer Paul! How can I thank you?"

I smiled. "You just did."

"No, I mean…really thank you." Sherry stepped forward, pressing her small tits against me. There was no mistaking her message.

"Hmmmm. Let's see." I removed a blanket from my car, then took the girl by the hand and led her into the woods. I found the spot I was looking for right away. I had been here before, off-duty. It was incredibly secluded on three sides, and the fourth afforded a fantastic view of the lake.

I was getting really hard now. Her small tits were encased in a lacy little bra. I bent down and sucked her tits through the bra, making the material wet.

"Oh wow. This is beautiful," Sherry said.

"Not as beautiful as you," I growled, pushing her down onto the blanket. I started kissing this sexy girl, forcing my tongue inside her mouth. She sucked at my tongue while I tore off her dress. She wore a white garter belt to hold up her hose—and no panties. I was getting really hard now. Her small tits were encased in a lacy little bra. I bent down and sucked her tits through the bra, making the material wet. She lay back and spread her legs. Gently I removed her high heels, then rolled her stockings down. I ran a finger along her wet slit.

"Ummmm, do you have a great big nightstick, Officer?"

I laughed. "I think you're about to see it—not to mention feel it."

Her damp pussy seemed to wink at me, but right then I was turned on more by the thought of her little ass. I just knew it would be incredibly tight. I rolled her over onto her tummy, then told her to get on all fours.

"I love it doggie-style," she murmured.

I ran my hands across her warm and perfect heart-shaped ass, then leaned down and licked her crease. I had my cock out of my pants by then and rubbed it across her puffy pussy-lips, then inserted the tip into her pussy to get some sweet honey. Sherry was wiggling her hips.

"Like that, huh?" I asked.

"My pussy loves to be fucked, Officer Paul."

I started sliding my cream-lathered cock back and forth from her asshole to her pussy. "Then you're gonna like this." I pressed the tip of my thick cock against her asshole.

"Oh!, Oh my gosh!" she squealed.

I crammed my cock into Sherry's tight ass, inch by inch, while she wriggled and mewed. She kept saying she was too tight, that my cock wouldn't fit, but I kept assuring her that it would.

"Relax," I said, as I buried my cock all the way in her ass. My cock began stroking deeper as she relaxed. Sherry was right—she was fucking tight. It felt really good, too. Slowly I pulled my cock almost out of her ass, then I slammed it all the way in. I started pistoning my cock in and out, my balls slapping against her ass-cheeks. I grabbed her little tits and pinched her nipples hard. "Oooo, this is so good," Sherry cried out.

"Yeah," I said, my breath catching. I grabbed Sherry's hips, then thrust deeply inside her, really reaming her out. I could feel the jism building up in my balls, and then, before I wanted to, I was coming, shooting my spunk high and deep into her ass. Her body shook from the force of my orgasm, and I thrust and thrust, spewing the last of my cum in her. She couldn't take it all, so a lot of ,my cum went dripping down her thighs.

I had my cock out of my pants by then and rubbed it across her puffy pussy-lips, then inserted the tip into her pussy to get some sweet honey.

I licked Sherry's sweet pussy to get her wet again, then pulled her back onto my lap, and without warning, thrust my cock up into her ass again. I fucked her tight ass a lot that night, and Sherry just kept begging me for more. She says she's converted—she wants my cock only in her ass, no more pussy-fucking for her. And I'm only too happy to accommodate her... Now for that brewski..

Fun to look at, but...

Some girls love candy, some love jewelry, and all love money. But some girls like other girls. Then they grow up to be ladies that like other ladies. Then some of the ladies like sex, and toys. We like pussies with toys on them and in them. And we love the loud buzzing sound they make until they are in a soft wet pussy and the sound gets muffled.

NINA ELLE

No waiting for the camera.

When Natasha met Nina, she whispered to the cameraman, "I can't wait to eat her out. She looks so delicious." Nina came out of the dressing room and the cameraman hands Natasha a tissue to wipe the drool from her mouth. Minutes later their mouths are inseparable as are their passions.

ROCKIN THE RESORT

Every summer I would go to a resort to get away. It's actually a private ranch called Antelope Ranch. There're plenty of activities to get into. One Sunday afternoon, I decided to walk along one of the trails. I chose one of the easier ones. About an hour into my walk, the trail came to a fork in the road. As I thought about which path to continue on, I noticed a nude man looking up at the trees. My footsteps behind him broke his concentration.

As he was turning around, I tripped on a fallen tree limb and stumbled onto him, with my naked body crashing into his. My breasts smashed into his broad chest, my arms grabbed his hips to keep me from falling further, and as I straightened up our spontaneous contact made him a little excited, and me very embarrassed. He coolly introduced himself as Allan. As I raised my gaze from his cock to his eyes. "How clumsy of me." I said. "I'm Chelsea."

"I dropped my binoculars when you bumped into me." he said in a deep baritone voice. I apologized and looked down between us and noticed them semi-hidden by the limb I had just tripped over. As I did a little "bunny dip" to pick them up, I saw that his penis was a bit erect but still pointing down.

As we walked along Robin's Trail, we'd try to step lightly as not to scare and birds away. He with his binoculars at the ready and me with my camera ready. Allan was 28 years and I was 23. I could feel the physical attraction between us. I knew things could get interesting. But tried not to think about the possibilities. Allan was the type that you'd fantasize about but never thought you'd meet. We continued down the trail speaking softly and laughing. He had a wonderful sense of humor. Along the trail we'd notice little snack shacks offering only water, chips, fruits, maps and some type of trail mix. All free of charge to visitors at the ranch.

We must have walked two miles or so. As we drank and munched, Allan went to peek over a small cliff. He noticed a small lake with people paddle boating and called me over to have a look. We both smiled and said at the same time... "That looks like fun!" Without hesitation Allan quickly unfolded the map and focused on a short cut to the paddle boat entrance. When we reached the entrance to the paddle boats, we stood aside to catch our breaths. It was now dusk. We each took a fresh towel that they provide to visitors and chose a boat to get into. Allan got in first, then extended his hand to help me in. I

did notice him take a peek at my pussy as I stretched my leg to get in the boat. He put his arm around me and I took off my hat to rest my head on his shoulder and chest and began to caress his strong thighs. I've never been with such a sweet guy before. I wanted him and I could tell that he wanted me too.

On the way back to return the boat he raised my head from his shoulder, kissed me and asked me to have dinner with him. I said yes. Allan mentioned that the pool back at the resort was heated and we could reserve a cabana and simply get dinner from the resort's buffet. I hugged Allan around his waist and began kissing his shoulder, neck and face. I could see he was beginning to respond to my kissing and touching his legs. His cock grew huge. I wanted to give him a blow job right there in the boat. I just kept thinking, "All this cock for me?"

As I stroked it, I took his hand and placed it between my legs so he could feel how wet I was getting. From a distance I could see a tiny cove and suggested to Allan that we pull over and rest. As we approached the cove, I noticed there was no one in sight. We started kissing and touching each other. His large hands felt so good on my breasts. We let the boat drift and park itself. I kissed his big strong chest and licked his nipples working my tongue up and down his salty body. I licked the tip of his cock.

He amusedly asked me what I was doing. "Well, first I'm gonna stroke you, like this..." I said, wrapping my hand around it and sliding it up and down. It was slippery with his secretions, and the feeling was marvelous.

"Then what?" he said. after he was as stiff as a rock. "Then... Then I'm going to put it in my mouth." And... I did! Sucking, licking, sliding it in and out. Massaging his balls and sliding my fingers towards his asshole. I tugged and licked his balls and slid my mouth up and down his shaft until he closed his eyes to just enjoy the sensations.

I took his penis out of my mouth and looked at him as I rapidly tugged on his throbbing member. Then I stopped and said "Don't cum yet. The evening is still young and I'm hungry and I know you are, and I may want that for dessert."

Back at my cabin I washed the day off me and prettied myself up as best I could knowing I'd be nude all night. I did, however, put on my sexiest strappy heels that I wasn't even going to bring. Why? Would I need them at a nudist resort? Fashionably late, I walked over to the cabana to find Allan already there with a bottle of wine chilling. I smiled and entered it, accepting a glass of the wine he had just poured. We ate, drank, laughed and told stories.

The evening quickly passed and the buffet was out away for the night. The groundspeople came by extinguishing the torches and picking up around the grounds. After about twenty minutes, all was quiet. Allan got up and pulled the drawstring on the cabana door flaps and they swung shut. Lit now only by a couple of candles, he turned to return and I saw his cock was already huge. He came over to me standing right in front of me – cock pointing right at me face. I reached up to stroke it and he stood frozen, allowing his cock to throb as the blood crashed through his genital veins.

I softly moaned as my mouth replaced my hands. It was obviously something I liked to do and this beautiful man was getting all my attention. I grabbed his buttcheeks and pulled him into me so his cock went deeper into my mouth. I swallowed it whole and worked my tongue on the underside of his shaft as he gently pulled it out and pushed it back in. I joined his rocking motion, fingering each of his balls and pulling on them as I sucked. With my hands behind

him, I spread his asscheeks a little and worked a finger between them and swirled around his asshole. I looked at him with a sexy, evil smile and nipped at his penis head with my teeth. Now by one candlelight I grabbed Allan' head by the hair and encouragingly pushed his face hard against my tummy and pussy. He scooped my ass in his hands, deftly pulling me forward at the same time he opened my legs wider to allow his face access to my private area. He really knew how to lick pussy and before long I was moaning open-mouthed.

I started breathing hard. “Tell me what you’re gonna do to me,” I said. “I’m gonna do what you think I’m gonna do,” Allan said. He reached between my spread legs and dipped two fingers inside my magnificently damp pussy hole, down to the last knuckle. Even this simple act made me twitch with post-orgasmic shivers. After coating them with a thick, drippy layer of vaginal cream, he moved his fingers back to the hole between my asschecks.

He told me to relax my anus muscles as best I could, but there was simply no way to avoid stretching it as his fingers worked their way in, pushing further, then pulling out a touch to keep the skin from stretching, then downward again, and so on until I felt his fingers buried deep inside my burning rectum, the exceptionally tight walls squeezing deliciously around his appendages. For a few long seconds, he fingered my ass, gently worming around inside me. My asschecks tensed again and again around his hand.

He removed his fingers easily, pulling them out as they passed my rectal muscles. Then, with his hands on my hips, he directed my ass toward his dick head. I had never done anal before vaginal sex but since this was a new start for me, why not. I was always adventurous and the thrill was coming back to me with Allan. I reached under to help aim the prick toward my tight hole. He eased his lubed head inside the relaxed hole as gently as possible. He drove more of his cock inside me. I grabbed him by his pecs and ground my body down hard and fast into his, sliding my ready asshole up and down the thick dick now inside me.

I let out a muffled scream as I gritted my teeth, pounding the sofa with my fists, once hitting Allan hard in the chest with my knuckles. He barely felt the blow as he concentrated on the task at hand. Slowly, slowly, he pushed his cock inside the constricting tunnel, working it in, working it out, working it in again. When he was halfway in, he was already close to cumming because it probably felt so fucking good to him. I know I was grooving on it. It had been a couple years and now that the feeling was renewed, I felt like I had to have more.

“Oh god damn, Chelsea,” Allan said, “you sexy bitch, you love getting fucked up your ass.” “Yes, Allan, even though it’s been a while, I love what you just did. I love having my asshole filled with your big cock.” As I was straddling him, I reached down between his asscheeks and felt my way between them and forced a finger into HIS asshole. He shuddered a little as he bucked sending his cock beeper into mine. I shrieked and pushed my finger into his chute up to the first joint. A couple hard thrusts of his cock into my rear and I felt his warm juices fill me up. He left it in for a minute as I pulled my finger out. I turned to him and gave him the wettest, sloppiest, hot, tongue-iest kiss I could.

We spent the night in the cabana and the rest of our stay at the resort together taking in mother nature and each other’s love. We made a follow-up date to return to our secret rendezvous in a few months as I had to get back to work and Allan to his new wife. When he told me that, I decided it didn’t matter that much to me. After all, it was human nature.

Going Down Under.

When I met Sally, she had the cutest Australian accent. I especially likes it when she giggled, and she giggled a lot. When we got together, for the photo shoot, I was way too excited to get started. Her cute looks and great body were quite a turn-on for me. I wanted to taste her, and fuck her, and that's just what I did!

Jessie & Marie

I have a special ring tone set for Jessie's call so I know it is her. And usually I know what it's for. It's our booty call. Two special rings for a special friend that wants to see me. Actually, who wants to fuck me. And I want to fuck her back. I can't wait for her to get over here, and I can't wait to lick her pussy and she licks mine.
